## TELUS Business One® Bundle

communication services tailored to your business

### the future friendly™ office

Work smarter, faster, and more effectively. The TELUS Business One Bundle is your complete solution from TELUS, the only provider for all of your telecommunication needs.

The TELUS Business One Bundle, part of the Future Friendly™ Office, gives you your choice of powerful, easy-to-use communication tools with one support number, for one price, on one bill.

Consider all the advantages TELUS has to offer in the TELUS Business One Bundle. You'll get your phone and Internet, as well as powerful Internet applications at no additional charge, priority technical support and exclusive preferred prices for upgrades. It's a whole lot more for your business – in one tailored bundle on one simplified bill.

#### BUILD THE RIGHT BUNDLE FOR YOUR BUSINESS

- TELUS High Speed Internet for Business\*
- Long distance service (great overseas rates)

standard\*\*

- Business line service (single and multi-line)
- Your choice of 3 Calling Features
- Up to 7 powerful business tools at no additional cost, e.g., Desktop Backup, Shared Hosting with customized e-mail, Anti-Virus protection, a Toll-free number†, and Conference on Demand‡

choose what  
your business needs

### the best for your business

You'll also receive the following benefits as a Business One customer:

- **Freedom to choose** the services you want, resulting in a complete, customized solution
- **Powerful business tools at no extra charge** that will allow you to become familiar with the services and their benefits to your business, risk free
- **Simplified billing** that will itemize all your services and savings
- **One single technical support number** that will make it easy for you to receive the support you need
- **First-class service and exclusive preferred pricing**

You don't have to be the communications expert anymore – we'll provide you with the right services at the right price with the level of support you need.

\* Final eligibility for TELUS ADSL will be determined by a TELUS representative at the point of installation.

\*\* To qualify for the bundle, you must have TELUS long distance service and TELUS high speed Internet service. You are not required to subscribe to any TELUS tariffed services to enjoy the benefits of the Business One Bundle.

† Usage charges apply.
