

TELUS Business Solutions
Business. Backed by TELUS.

TELUS Business One™

all your communication tools in one neat package

enhance productivity, ensure cost-effectiveness

There's no shortage of communication tools today. But managing them all to ensure that your business gets maximum value can be a big challenge. TELUS makes it simple.

The TELUS Business One solution brings together our most powerful voice, Internet and wireless tools in one solution – for one low price, on one easy-to-understand bill, with one support number.

everything at your fingertips, including Mobility PCS and BlackBerry®

TELUS Business One provides all your key communication tools, from business-grade digital phone service to high speed Internet – as well as free productivity-enhancing business tools, such as e-mail accounts and domain name. Plus, we offer special rates for wireless plans and shared hosting. The solution includes:

key communication tools

Digital Phone Service for Business

- Supports up to 23 connections and all standard calling features such as Call Display and Call Forwarding
- Works with all your existing phone numbers and is compatible with almost every phone system in North America

Managed High Speed Internet

- Best-in-the-industry reliability and service guarantees. We automatically refund your money if your connection ever goes down, without you having to pick up the phone.
- Includes all hardware, installed and remotely managed by TELUS to ensure the highest level of service

free, easy-to-use business tools

10 Microsoft® Exchange E-mail Accounts

- Anti-spam protection and secure Outlook Web access so you can check e-mail anywhere, anytime

1 Registered Domain Name

- Register or transfer your domain to TELUS, at no charge

preferred pricing on optional business tools

As a TELUS Business One client, you are entitled to additional benefits. For example, you will save when you:

- Subscribe to a TELUS wireless digital PCS rate plan or BlackBerry® plan
- Use TELUS Shared Hosting to market your business online, with your own fully functional Web site

dedicated technical support

Call the exclusive TELUS Business One support number and get help fast, 24x7, from a real person, with no additional numbers to press or voice prompts to navigate.

The BlackBerry® and RIM families of related marks, images and symbols are the exclusive properties of and trademarks or registered trademarks of Research in Motion Limited – used by permission.
