

One number
can make a big
difference.

311 with TELUS. It's more than just a number.

Your citizens want 311 because they're demanding unified, citizen-centric government. And 311 makes sense for your municipality too, because it can help you provide convenient, streamlined voice and online access to municipal services. It can improve availability and citizen satisfaction with one easy-to-remember phone number, Web site portal and e-mail address. But don't stop there. With TELUS, 311 can offer online tools and other leading edge technologies to automate manual, resource-intensive services. It gives you the ability to collect valuable information about your community so you can initiate proactive change. And it's just one of the ways we can help you deliver better service to your citizens and communities. So make the single choice. Call TELUS today.
